

WHITE YOUTHS ARE SCOLDED BY COURT

Raleigh Youngsters, Who Assaulted A. and M. Negro Errand Boy, Given a Fright.

[Special to The Times-Dispatch.]
RALEIGH, N. C., October 3.—Judge Walter Neal delivered from the bench today a severe reprimand to eight white boys, eight to fourteen years old, in the Wake Circuit Court, for a vicious assault on the negro errand boy of the Agricultural and Mechanical College. Following the reprimand, judgment was suspended on the payment of the costs in the case.

It seems that two revolvers and a dirk figured in the case. President Hill, of the college, was a witness, testifying to the good character of the negro youth the boys attacked. They are Robert Wynne, William Cox, Eugene Traylor, Charles Sanders, Hubert Harris, Charlie Check, William Faison and William Smith.

Indicted for Murder.
A true bill for the murder of Mary Davis eight years ago was today returned by the Wake grand jury against "Boots" Brown, the negro who was brought back to Raleigh from Norfolk three months ago.

No day has been set for the trial. The prisoner denies that he is "Boots" Brown, insisting that his name is Wright, and that he was never in Raleigh until brought here a prisoner. Failing to convict Ira Oakley on the charge of setting fire to the residence of J. M. Underwood and burning the wife and child of Underwood in the flames, this case was today dismissed in the Wake court. The man was convicted on the charge of breaking into the residence of John Gregory, and in this case the judge imposed a sentence of one year on the county roads. Oakley was brought here from Clarksville three months ago on the charge of arson and murder.

The new \$20,000 public high school building here was the scene last night of a "house-warming."

For the Orphans.
A chapter of orphans from the North Carolina Masonic Orphanage, at Oxford, entertained last night in the Grand Lodge hall of the new \$125,000 temple of the Grand Lodge of Masons here, this being the first time that the hall was ever opened to the public. The financial returns were much the

largest received here for one of these concerts in years.

It is understood here among leaders of the Democratic campaign that the prosecution for libel brought by Hon. B. F. Aycock, Democratic candidate for corporation commissioner, against Editor Click of the Hickory Times-Mercury (Republican), will be withdrawn, now that Click has made a full and complete apology for printing the charge that Mr. Aycock was drunk on the occasion of his making a speech in Hickory four years ago. The indictment was in Wayne county, the home of Mr. Aycock.

Engagement Announced.
[Special to The Times-Dispatch.]
RADFORD, VA., October 3.—Mr. and Mrs. David Pierce Watson, of Pulaski, announce the engagement of their daughter, Margaret Howe, to Mr. Charles Moore Newton, of Richmond, the marriage to take place later in the month.

The prospective bridegroom, who is a son of the late Bishop and Mrs. John B. Newton, of Richmond, and a brother of Mr. John B. Newton, of Bristol, general manager of the Virginia Iron, Coke and Coal Company, is vice-president and traveling representative of the Morrison Supply and Machinery Company.

The bride-to-be is an acknowledged belle in this section, is prominently connected, and has a large circle of relatives and friends, who look forward with interest to the wedding.

Miss Pettit To Wed.
[Special to The Times-Dispatch.]
PALMYRA, VA., October 3.—Hon. and Mrs. Pembroke Pettit announce the engagement of their daughter, Miss Genevieve, to Mr. Alfred Henry Davis, the marriage to take place early in October.

HAD THE ITCHING PALM
One Stole Savings Bank, a Second Stole Shoes and Third Stole Grapes.
James Anthony, colored, was arrested last night on a charge of stealing a savings bank belonging to Lena Burman. The bank had all Lena's coins—\$5—and she was much grieved.

Walter Goods had a case of the itchy in both palms, it was said; so he, too, was caged for the night.

Peter Miller got mad with his spouse and assaulted her with a knife, and was locked up.

Registration Closed.
The registration books were closed all over the State last night, and persons not properly registered or transferred will not be admitted to vote in the coming election on November 3d.

In this city the Democratic leaders have been active and have looked after all the voters who were reported to them as not being properly on the books. Indications day after day are that the usual Democratic vote will be polled in the city.

Surplus of City Bank.
In the general bank statement printed yesterday the surplus and profits of the City Bank were put down as \$148,424.63. The figures should have been \$193,424.63, the \$50,000 error being due to the fact that the compositor made a "1" out of an indistinct "9."

ARE CHARGED WITH THEFT
Acee and Wife Brought to Roanoke to Answer Charge.
[Special to The Times-Dispatch.]
CINCINNATI, O., October 3.—Three days three detectives laid in wait for a man they suspected would come to Cincinnati, but the prospective victim must have heard of the ambush. Hence he came not. As a result Detective Pittman started for Roanoke, Va., today with M. O. Acee and his wife, held on a charge of larceny.

The Aces were arrested in Cincinnati by Detectives Houston, Harnold and Pittman in connection with the theft of \$1,300 from K. L. MacLennan, away in Roanoke, and a note indicated that a third person was to come to Cincinnati. The detectives believed that this person had the money.

News Gathered from Southside

Manchester Bureau, Times-Dispatch.
The Manchester and Chesterfield Business Men's Association will be largely represented at the smoker to be given by the Richmond Chamber of Commerce at the Jefferson Hotel on October 15th, when the question of annexation will be considered. As heretofore related in these columns, there is a growing sentiment in favor of the consolidation of the two cities, principally because of the fact that it will assure a new bridge, and will otherwise tend to bring the cities into closer business relations. Among citizens who have discussed the project there is, of course, a difference of opinion, and with the exception of those who might lose office by the consolidation the public here, almost as a whole, is in line. The argument that annexation would mean the end of the Manchester post-office building has been put forth, though there is reason to believe that the Federal government will give Manchester a branch equal to the structure for which the city is now fighting.

Many Going to the Fair.
Manchester will celebrate and work on half time, so to speak, during the week, as hundreds of citizens will go to Richmond every day to take in the State Fair. W. J. Carter, of Manchester, who knows a thing or two about horses, has passed the word along the line that the races will be excellent, and that the display of live stock far above anything attempted heretofore. The midway germ has already taken root here, which means that Manchester braves will go, though they will keep an eye constantly peeled for pickpockets.

Sunday School Union.
The quarterly meeting of the Manchester Methodist Sunday School Union will be held at Central Church this afternoon, 3 o'clock. Following is the program:

Organ solo, Miss Annie S. Penick; song, "Onward Christian Soldiers"; school song, No. 1, "Glory Song"; solo, player, Rev. J. M. Rowland; welcome address, Edward Dunford; soprano and alto duet, Misses Edna and Lizzie Stiles; "The Ten Virgins," by ten young ladies, assisted by choir; the Twenty-third Psalm, by primary department; song, "The When I Hear the Sweet Story," primary department; reports from all the schools; song, No. 20, "The Road Leads Home," school address, L. E. Gill, Petersburg, Va.; offertory, "Cast Thy Bread Upon the Waters," Mrs. J. F. Duval; song No. 254, "Shall We Gather at the River," school benediction, W. G. Burch; organ postlude, Miss Annie S. Penick.

Delegates Elected.
The regular meeting of the Chesterfield Chapter, United Daughters of the Confederacy, was held Friday afternoon. Two new members, Mrs. Annabel Christian Fore and Mrs. E. H. Trainum, were elected. The chapter elected Mrs. Ann S. Green and Mrs. Joseph W. Brinnough as delegates to

the general convention to be held in Atlanta.

Negro's Bad Mistake.
Ernest Williams, colored, tried to amuse a crowd on Hull Street last night by seeing how much noise and disturbance he could create. After several minutes of acute enjoyment, he noticed Policeman Waymack coming along. It was his golden opportunity to become a hero, so he assaulted the officer with vituperation, declaring that he wouldn't arrest him. The officer turned the trick, and Ernest wept behind the bars.

Bryant-Lucas.
The home of Mr. and Mrs. A. G. Lucas, No. 921 McDonough Street, was the scene Friday night of a beautiful marriage when their daughter, Bena Hobson, became the bride of Mr. Lynnwood Bryant, of Richmond. Miss Nellie Lucas, sister of the bride, as maid of honor, was attired in white organdy, and entered the parlor with Mr. Tom Bryant, brother of the groom. They were followed by the bride and groom.

The bride was attired in a handsome gown of brown cloth, with hat to match.

The young couple left immediately after the ceremony for their future home, No. 500 South Pine Street.

The wedding march was rendered by Miss Mary Nelser. The parlor was beautifully decorated in palms, ferns and cut flowers. The ceremony was witnessed by a host of friends of the bride and groom. The presents were numerous and costly.

Personals.
Mrs. R. E. Flournoy, of Swansboro, has returned from visiting relatives at Moseley.

Mrs. C. W. Eagles and son, Eldridge, are visiting at the home of Mr. A. G. Lucas.

Church Services.
At Clopton Street Baptist Church this morning and evening the services will be conducted by the Rev. J. H. Perry, of Richmond.

The Rev. J. M. Rowland, the pastor, will preach both morning and evening at West End Methodist Episcopal Church. Morning subject, "Paul, the Servant." His theme in the evening will be "Behold the Man."

At Ashbury Church the pastor, the Rev. W. G. Burch, will preach at both services. Communion service this morning, and at night he will take for his subject, "Our Weak Brother."

In Central Methodist Episcopal Church the pastor, the Rev. J. K. Jelliff, will preach at 11 A. M. and 8 P. M. The evening subject will be "The Summer Past, the Harvest Ended."

Bainbridge Street Baptist Church has made extensive preparations for their "Home-Coming Day" in the Sunday school. It is hoped that all pupils, new and old, will be present. The pastor, the Rev. J. W. Durham, will preach at both services.

At Oak Grove Baptist Church, the Rev. D. G. Lancaster, pastor, Morning subject, "Golden Candlesticks," evening subject, "Are They of God or of Men?"

JOHN SHARP WILLIAMS.
Campaign at Newbern is Opened by Distinguished Man.
[Special to The Times-Dispatch.]
NEWBERN, N. C., October 3.—Hon. John Sharp Williams opened the campaign here this afternoon. He reached here at 4:30 on a special train from Goldsboro, and spoke in the courthouse to a large and enthusiastic audience. Congressman C. R. Thomas introduced the speaker, who discussed the cause of the panics, and declared this panic a bankers' panic, caused by distrust of depositors. The Republican party offered no cure, the Democratic did. He said all Roosevelt has done was to pass the rate legislation, and the employers' liability law, with a solid Democratic vote. His Congress was not with him. If Roosevelt failed, what could Taft do? He asked.

He asked Mr. Bryan as a great man above reproach or challenge, said small or local differences should not cause one to desert the principles of the Democratic party, which has always stood for equal rights and opportunities for all, and not for special favors to a few. The Democratic

party is the white man's party, and its backbone is the South.

To-night a reception was given Mr. Williams in the new Gaston Hotel.

BYARS AT SLEMP'S HOME.
Invades Congressman's Own Territory and Draws Great Crowd.
[Special to The Times-Dispatch.]
BIG STONE GAP, VA., October 3.—Hon. J. Clay Byars, Democratic nominee for Congress from the Ninth District, and Hon. Harry St. George Tucker, invaded Congressman Slemp's home town Friday night, and addressed an audience which filled the United States court building. But for a miracle, for the benefit of one of the churches, which took most of the ladies and a number of the gentlemen, many would have been turned away.

Mr. Byars was introduced by Mr. J. W. Chalkley, president of the local Bryan-Kern Byars Club, under the auspices of which the meeting was held, and Mr. Tucker was presented by Hon. J. F. Bullitt, an old friend and colleague of Mr. Tucker.

Mr. Byars was given close attention and frequently applauded.

Mr. Tucker, by his frequent mixture of wit and humor with the serious side of the issues, kept the closest attention of his hearers for an hour and a half.
